### Disclosure Categories

#### Category 1

Persons in this category must report any income from, business positions with, and investment in any type of business or organization that could contract with the California Climate Action Registry to provide services, supplies, materials, machinery or equipment in the amount of \$100,000 or higher.

#### Category 2

Persons in this category must report any income from, business positions with, and investment in any type of business or organization that could, as a registered participant, seek assistance from the California Climate Action Registry.

#### Category 3

Persons in this category must report any income from, business positions with, and investment in any type of business or organization that could serve to certify or audit reported baseline emissions or verify emissions reductions.

#### Category 4

Persons in this category must report any income from, business positions with, and investment in any type of business or organization that could be certified by the Registry as a technical assistance provider to Registry participants.

\* Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest disclosure category in the Code subject to the following limitations:

The executive officer may determine in writing that a particular consultant, although a designated position, is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements described in this section. Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The executive officer's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.
